The Good to the Last Drop Club works like this: Pleasant Hill Cellars will automatically reserve two bottles of wine, four times per year, depending on release dates, for you. The total amount for the wine plus shipping, if applicable, will be charged to your credit card. It is your responsibility to keep your credit card information current. If a valid credit card is not on file it is assumed that you are cancelling your membership and you will be removed from the list. If wines are not picked up in the year it is purchased, the wine will go back into the inventory with no reimbursement to you.

I understand and agree to fulfill my obligations for membership in the Good to the Last Drop Club.
